

JANUARY 2025 NEWSLETTER

Hello Residents, Family and Friends:

Happy New Year to you all! What a year 2024 has been! Our residents had a great 2024 and had so much fun with all the activities that we provided for them, which is our goal. Last month we had our Residents/family Christmas celebration with our very own Terry and Tina to entertain due to our entertainment cancelled.

Tina and Terry did a fabulous job of singing Christmas carols and entertaining our residents and their family. Thanks to Julie Stephenson, our Dietary Manager, for providing the delicious hors d' oeuvres for our residents, family and staff to enjoy and to all the Administrative Staff that stayed, and help served and assist our residents, Our Housekeeping Department for cleaning up, our activity department for sitting up and decorating which makes the whole party look so festive.

Thank you also to Lisa Matheson for providing catered food from City Barbecue, with Judy Pratt for providing all the desserts and Ruby Hemphill for providing all the cutlery for the Christmas Eve party for some of our residents and staff. Our residents and staff are very thankful to celebrate Christmas Eve and make them special! Thank you also to Cassandra the Housekeeping Supervisor and her staff for staying and clean which we are always so thankful to our activity department for always making the whole place look amazing and festive! Thank you Again!!!

Thank you also to ken Schroeder for heading the Wish Tree Program to be able to provide Christmas presents to our residents during this Christmas. Our residents got at least 3 to 4 presents each and to see how happy they are to receive the presents is a humbling experience. Again, Thank you!

Please help us celebrate our Residents January Birthday!
