

FEBRUARY 2025 NEWSLETTER

Hello residents, family, friends:

Hope you all are doing well in this winter season! January has come and gone, and February has arrived! We have had a very cold winter so far and Punxsutawney Phil have seen a shadow, it means 6 more weeks of winter.

January has been a very quiet month for us here at Mount Washington care Center. We had the Joyful noise group come in and sing some of the gospel and song of all genres. We also have David Wayne come in and entertain us for the monthly birthday party. We have the IHM moms and kids come in to do arts/crafts and serve cookies to our residents.
